**Production:** 230 cases

### Tasting Notes

Lemon-lime, white peach and green apple emerge on the nose along with more subtle hints of saline, white flowers and wet stone. The palate is round and full displaying good acid on top of ripe peach, apple and passion fruit. Lemon custard and Key lime pie give a nod to the nose while crushed mineral and savory bell pepper bring up a medium long finish. The freshness and balance are particularly marked in this true to style Sauvignon Blanc.
