

2013 SLEEPING LADY
CABERNET SAUVIGNON

NAPA, CALIFORNIA

Tasting Notes

A dark ruby center cuts to a magenta edge, and the nose swirls with violets, baking spices, vanilla, licorice, and black cherries. Layers of ripe cherry, currant and blackberry are stitched together by notes of white pepper, tobacco, chocolate and damp earth.

Winemaker Notes

This Sleeping Lady cab is big, complex, and angular and has a precision and focus that other wines in this style can lack. Allowing this wine proper time to breathe, one can begin to see the careful and deliberate wine making techniques as displayed through this unique, vineyard site.
