

# 2014 SLEEPING LADY CABERNET SAUVIGNON

NAPA, CALIFORNIA

A dark ruby center cuts to a magenta edge, and the nose swirls with violets, baking spices, vanilla, licorice, and black cherries. Layers of ripe cherry, currant and blackberry are stitched together by notes of white pepper, tobacco, chocolate and damp earth.

This Sleeping Lady cab is big, complex, and angular and has a precision and focus that other wines in this style can lack. Allowing this wine proper time to breathe, one can begin to see the careful and deliberate wine making techniques as displayed through this unique, vineyard site.
