Tasting Notes

Blackberry, currant, plum, and black cherry are ripe and flashy on the nose with additional notes of vanilla bean, baking spices, chocolate, and subtle underpinnings of licorice, sage, and wet stone. The palate displays a profusion of plush dark fruit with hints of black pepper and savory herbs providing buoyancy and freshness alongside balancing acid and fine tannins.

This wine is unapologetically big and powerful favoring swagger over subtly, boldly displaying palate staining concentration that resolves in a long and evolving finish.
