### Tasting Notes

Citrus, passion fruit, and peach leap forth from the glass energetically, against a backdrop of petrichor and wet slate. Fresh acid on the palate provides the scaffolding for flavors of key lime, apple, pear and sliced melon as well as hints of crisp yellow bell pepper. Drones of tropical fruit are nicely balanced by a mineral and citrus core that shows wonderful freshness and texture. This is a no brainer cellar grab for any social occasion. Drink now or hold for near term drinking.

### Vineyard Notes

The Gamble Vineyard is located in the heart of Yountville. Sourced from the southern section of the AVA, at the confluence of 3 rivers.
