Tasting Notes

Cherry liqueur and cassis pours from the glass with aromatic notes of cinnamon bark, menthol, blue flowers, and sous-bois. Ripe black and blue fruit are plush and opulent on the pallet, giving up subtle earthy undertones of cacao nibs and leather that give way to bright acid and ultra-fine tannins.

The complex flavors and aromas resolve to long and satisfying finish that suggests that this cuvee will continue to develop gracefully in bottle in the years to come.
